The Kewaunee Police Department proudly presents the 2018 Annual Report. The report provides an overview of our activity for the year and serves as a source of information for the community.

The Kewaunee Police Department consists of 6 full time and 5 part time sworn law enforcement professionals providing 24 hour a-day coverage to the City of Kewaunee.

The overall report statistics are very similar from previous years. Numbers do fluctuate slightly each year but as a whole crime is very low in the City of Kewaunee

Aside from our normal operations such as patrol and investigations we also have a School Liaison position that started in 2011 and a K9 program that started in 2016.

Our primary purpose is to place all the available resources provided to our organization toward public safety and quality of life for the City of Kewaunee. Each of our members strives to treat all persons with professionalism, dignity and respect. The Kewaunee Police Department is committed to keeping our community a great place to live, work and play. This will be accomplished by providing quality police services, addressing and anticipating issues that affect public order to reduce or eliminate them. It is our goal to build advocates on Every Call, with Every Citizen, and on Every Contact.

Respectfully,

Chief Frank Salentine  
Kewaunee Police Department
