

COVID-19

Due to the rapid exposure of COVID-19 ("Coronavirus"), we at the City of Kewaunee ask that residents attempt to limit the amount of foot traffic to and from the Kewaunee City Hall. We encourage residents, who are able to:

#1 Register to vote and register for absentee ballots; this can be done at myvote.wi.gov or call 920-388-5000 to have an application mailed to you. To ensure delivery, please have your application into City Hall by March 31st.

#2 Make utility payments through alternative means – direct payment plan (very easy, and saves time!), mail, internet, and our drop box which is located just outside of our office door at 401 Fifth Street.

#3 Make other payments by mail or drop box such as dog licenses, parking tickets, etc.

#4 Visit our webpage at www.cityofkewaunee.org to apply for residential building permits, sign permits, re-zoning requests, etc. Print off applications online to fill out and mail/use our drop box.

#5 Continue to call our office at (920) 388-5000 for any questions/concern
