

FARM TECHNOLOGY DAYS July 11-13

EBERT ENTERPRISES FARM, E5083 COUNTY ROAD K, ALGOMA, WI

Come out and see the amazing technology and variety of job opportunities in modern farming! There will be Field Demos, Educational Displays, Entertainment, Arts & Crafts, Vendors, and Food Tents. Farming is a diverse industry -- rock removal, fertilizer production and application, planting, harvesting, beef and dairy production and packaging, marketing, sales, accounting, machinery and building maintenance and repair. Come get your hands dirty! More info at: WIFARMTECHNOLOGYDAYS.COM.
