

### Note from a Slip Holder

Here's a great note from one of marina slip holders Rick Humphreys!

"Hello Matt & Mayor Sandy,

I wanted to let you know that I am extremely happy with the operations at the Marina & Campgrounds thus far. You have assembled a group that I hadn't seen the equivalent of here before. They are all invested in making the facility and environment the most enjoyable for your customers. And I honestly think that they enjoy doing so. Their work ethic is admirable! And I will go so far as to say that they are "Self Directed". They run the place as if it were their own. Thank you, and everyone for putting a smile on my face."

Thanks for the kind words Rick, and we hope all our visitors enjoy our marina and facilities just as much!
