PUBLIC COMMENT/COMMUNICATIONS

Mayor Christman opened the meeting for any Public Comments.

Richard Sievers, 702 Third Street, was concern about the inspection requirement the City has. Mr. Sievers feels that if the Inspector did his job a two years ago, he would not have the problems he is having with the property he purchased. Mayor Christman asked Mr. Sievers to call the Building Inspector to discuss the problems he is having.

Donald Kickbusch, 1213 Fifth Street, stated that he feels there is nothing wrong with the way the pumping is done on Little Seidl Lake, and for the little bit of electricity it costs, the City should leave it alone.
