Opening City Hall

Due to the significantly lower amount of COVID-19 cases in our County, I am directing that the City Hall and other City facilities be open to the public effective immediately. This will also mean that the Common Council and City sub-committees may attend in-person meetings at City Hall. We will continue to offer the option of attending meetings virtually for those who cannot or will not attend in person.

We are still in the midst of a deadly global pandemic. Whenever possible, you should limit your exposure by making utility payments through alternative means – direct payment plan (very easy, and saves time!), mail, internet, and our drop box which is located just outside of City Hall. Please make other payments by mail or drop box such as dog licenses, parking tickets, etc.

I want to thank the public for your patience as all of us have been struggling for some sense of normalcy during this global pandemic. We are not there yet, but I think we are seeing a light at the end of this long tunnel. Thank you and stay safe!

If you have any questions, you can contact Mayor Jelinek, at 920-388-5000 or e-mail jjelinek@cityofkewaunee.org
