The Honorable TERRI DECUR
City of Kewaunee
401 FIFTH ST
KEWAUNEE, WI 54216-1023

Dear City of Kewaunee:

This letter confirms funding for the local project on **Dodge St** from the **2022-23 Municipal Street Improvement Discretionary Program (MSID)**, which is a component of the Local Roads Improvement Program (LRIP), a reimbursement program of the Wisconsin Department of Transportation (WisDOT). This program assists local units of government in improving deteriorating county highways, town roads, and municipal streets under the authority of the local unit of government by paying up to 50% of the total eligible project costs, with the balance matched by the local unit of government.

Your project was one of 41 MSID projects selected in Wisconsin for funding in the 2022-23 biennium. The total cost of the project is estimated at **\$2,104,050.00** and **WisDOT will reimburse the City of Kewaunee for up to a limit of \$400,000.00**. You will soon receive a signed State/Municipal Project Agreement (SMA) from WisDOT.

I greatly appreciate your commitment to provide a quality transportation system that promotes public safety and economic development. Our state and local partnership is imperative to the future of Wisconsin's transportation infrastructure. Congratulations on your project award, which is a key piece to this effort.

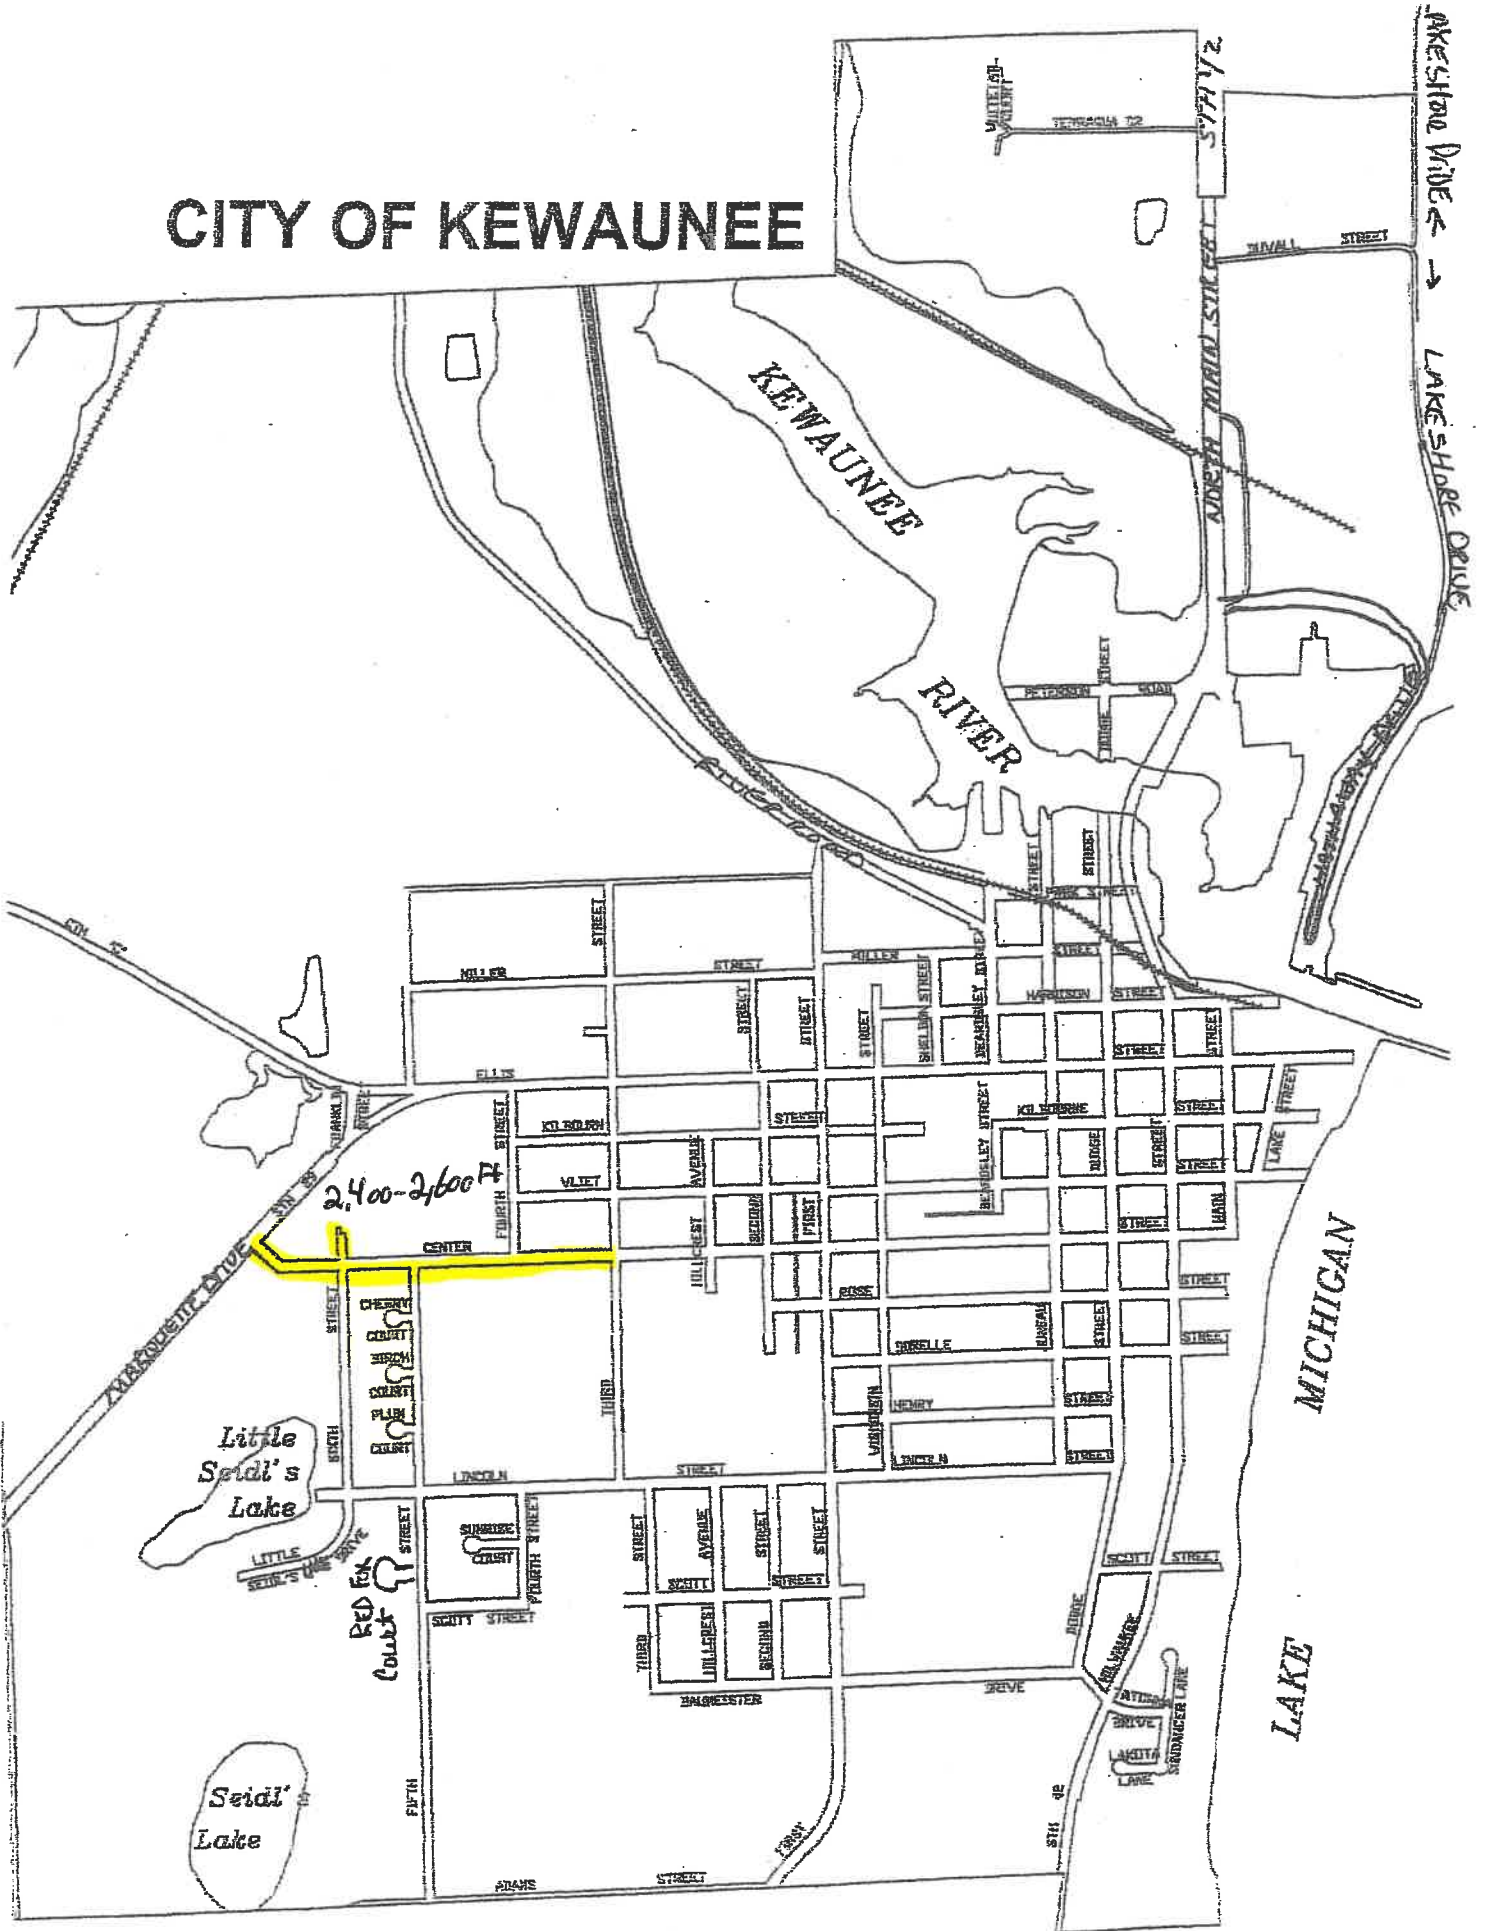

Sincerely,

A handwritten signature in black ink, appearing to read "C. Thompson", written over a light blue horizontal line.

Craig Thompson
